NEW JERSEY.

FOUND DEAD.—A man named Konrad Heim, who resided at the corner of Third and Court streets, was found dead in his bed yesterday morning. An inquest was held by Coroner White and a verdict was returned that Heim came to his death by heart disease.

NARROW ESCAPE AT A RAILEOAD CROSSI en minutes past six last evening a horse and wagon were just about to cross the Morris and Essex Railroad at Grove street, when the horse's head was struck by the locomotive of an incoming train and so battered that a portion of the jaw and teeth of the animal were carried off by the engine. The little boy who drove the horse fortunately jumped off in time to save himself.

ALLEGED HIGHWAY ROBBERY .- Wm. Mulcaby, outh of seventeen years of age, was taken into cust having, in company with two others, knocked down, beaten and robbed an undertaker named Michael Munin, waite the latter was walking through Military park on the night of the 4th of July. The police are on the trail of the other young desperadoes.

eeting of the Common Council, held a few weeks moval of all wooden and other awnings that reached only half way over the sidewalks. Yesterday the time alloted for removal expired and inasmuch as few of the nuisanees have been removed, it is proba-ble a grand raid will be made on them to-day.

SINGULAR OCCURRENCE. -In the course of a jocular three, residing on High street, was struck a heavy blow on the chest by the youngest, which, according to the attending physician, narrowly escaped fatal results. The injured youth fainted several times, and is yet far from being out of danger.

POLICE ARRESTS .- During the month of June there were arrested in this city one hundred and two persons. Up to yesterday there were fifty arrests made during the present month.

who, it is alleged, was implicated in the murder of the colored man Green, as certified by the Coroner's fere in the matter of effecting his release from custody. On Thursday the case was submitted to the Chief Justice, who fixed the ball at \$1,000. The prisoner being unable to procure security for this amount was committed to the county just to await the action of the Grand Jury.

A meeting of this Board was held yesterday after-noon. Commissioner Lincoln occupied the chair. The attendance of the other Commissioners was small. After transacting a variety of routine busi-ness a resolution was adopted directing the Messrs. Halliday & Kenoe to discontinue the practice of lime burning on their premises, No. 434 East Eighteenth street, the same Assistance of the premises of the commission of the premises. street the same having been complained of as a

mith made a complaint against the Manhattan Gaslight Company, and after some discussion on the subject the matter was referred to the attorney for counsel. Yesterday the subject was brought up again and a letter from the attorney was read before the Board. On the compaint made the counsel says:—"It will be quite possible to recover a penalty of \$30 from the company for a violation of the Code of Health, and each successive violation will subject the company to a similar penalty." He recommends a suit to be instituted. The communication further says:—"If yes, Harris and Smith will put their statements in writing it will formish a basis upon which the Board can make its order. That order would be made to the same language as the orders that have been made to fat boilers, shell burners, &c., that the business of manufacturing gas at such a place be discontinued and not resumed until it is so conducted that no gases or odors detrimental to health escape with the air. Upon the issuing of this order the company may demand a hearing, and upon that hearing facts may be elicited which may compel a modification. If the company demand no hearing the sum of \$250 can be recovered for a violation of the order."

Upon motion the Attorney was directed to com-mence a sul. against the company for a violation of the health code. The Board shortly after ad-journed.

THEODORE MOSS, Treasurer.

MESSRS. QUADEAU, BATAILLE & PALLEZ WILL exhibit at the Hall, 616 Broadway, several wonderful works of art, designed by Mr. Quadeau.

These works of art, constructed of wire and fron, are as follows:—

1. A model of the city of New York and its relation to the adjacent cities of Brooklyn, Jersey City and Hoboken.

2. A model of the city of Washington. These models present a full view of all the houses, streets, avenues, squares, churcies, fountains, public buildings, railroads, rivers and shipping.

3. A model of the Capitol at Washington, 12 feet by 5 feet.

4. A model of the Parliament House at London.

We hope that the public will visit this national exhibition, which displays the lugenuity and art, and presents a work that has never been excelled in accuracy and completeness.
